

**Tenure Track Investigator for
Symptom Management Laboratory**

**National Institute of Nursing
Research, NIH**

NINR seeks applications from nurse-scientists for a tenure-track or tenure-eligible position in its Symptom Management Laboratory. The successful applicant will be expected to establish an innovative independent research program in symptom management in chronic or acute illness. Individuals with documented expertise in biobehavioral approaches to symptom management research are of particular interest. Candidates must have a Ph.D. as well as advanced training and accomplishment in symptom management research. The NINR Symptom Management Laboratory offers unparalleled opportunities for multidisciplinary collaboration throughout NIH.

For additional information, contact Renee G. Harris at harrisrg@mail.nih.gov.

To apply, send your CV, cover letter including a summary of relevant experience, and the names and contact information for 3 recent references to: Renee G. Harris, National Institute of Nursing Research, NIH, 10 Center Drive, CRC-East, Room 2-1339, Bethesda, MD 20892. Applications will be accepted until the position is filled.
